

/home/dano/git/avalon
/common/cpp/hex_string.h

```
graph TD; A["/home/dano/git/avalon  
/common/cpp/hex_string.h"] --> B["stdint.h"]; A --> C["string"]; A --> D["vector"];
```

The diagram illustrates the dependencies of the file `hex_string.h` located at `/home/dano/git/avalon/common/cpp/`. Three blue arrows point from the top box to three separate boxes below, indicating that `hex_string.h` includes `stdint.h`, `string`, and `vector`.

stdint.h
